

Terms of Business:

1. All animals undergoing treatment do so at their owner/carer's risk. Every care and responsibility is taken when treating patients and in the maintenance of equipment etc. but no responsibility will be accepted for accidents or illness arising whilst undergoing treatment. No responsibility will be accepted for injury to owners whilst handling their own dogs on the premises.
2. All animals treated by Leaps and Bounds Veterinary Physiotherapy Centre require a signed Veterinary Referral Form. After completing the first two sections please pass this to your referring Veterinary Surgeon for their attention and kindly request it to be returned to us.
3. All treatment must be paid for in advance unless otherwise agreed with Leaps and Bounds Veterinary Physiotherapy Centre. All individual treatment must be paid for on the day of treatment within the terms of the invoice sent. The owner/carer of the animal receiving treatment agrees to pay all fees in full to Leaps and Bounds Veterinary Physiotherapy Centre. If fees have to be recovered, any extra costs incurred in doing so are the responsibility of the owner/carer/person responsible for the animal. By signing this form, you agree to these terms and conditions.
4. Where an insurance claim is to be made, it is the responsibility of the owner to check that their policy covers treatment and no refunds will be given on treatment if insurance is refused.
5. Where a direct insurance claim is being made for the cost of treatment by Leaps and Bounds Veterinary Physiotherapy Centre it is the responsibility of the owner/carer of the animal to check and inform Leaps and Bounds Veterinary Physiotherapy Centre of the terms of their individual policy. Under no circumstances will Leaps and Bounds Veterinary Physiotherapy Centre be liable for fees incurred by the rejection of a claim and the outstanding treatment fees will remain the responsibility of the owner/carer, plus any additional expenses involved in recovering them should a debt collection agency be used. The owner/carer agrees to the payment of all fees by signing this form.
6. If an animal has to stop during the course of a block of treatments, the difference on the course of treatments can be refunded, but all treatment to that point will then be calculated at the single values.
7. We recognise that, sometimes, booked sessions may have to be cancelled by owners or by Leaps and Bounds Veterinary Physiotherapy Centre. Provided we are notified at least 48 hours in advance, we are unlikely to charge a cancellation fee (50% of session fee). Should a client fail to inform us in advance and fails to attend for the pre booked appointment, then the session will be charged in full. Leaps and Bounds Veterinary Physiotherapy Centre will make all efforts to contact owners if an appointment needs to be changed or cancelled, but will not accept liability for any losses or damage.
8. Animals with infectious or contagious conditions will not be able to be treated and owners/carers are therefore advised to cancel any appointments with at least 24 hours' notice until the condition clears. Normal cancellation charges apply. If an owner/carer brings an infectious animal for treatment, they will be responsible for any costs incurred by contamination of our equipment, property and other animals.
9. Leaps and Bounds Veterinary Physiotherapy Centre reserves the right to refuse an animal treatment.
10. For all appointments located at Three cross veterinary surgery, when in the hydrotherapy unit, Three cross Veterinary Practice, car park and surrounding area, your animal must be kept on a lead and under close control.
11. Your animal is the owners/carers responsibility at all times whilst attending appointments located at Three cross veterinary surgery. Owners/carers should be aware that other animals are present and that people may enter the rooms at any time. Practice staff will take no responsibility.
12. Leaps and Bounds Veterinary Physiotherapy Centre and its staff cannot be held responsible for any loss or damage to vehicles, animals, persons or personal properties, however occasioned.
